MISSION
HCET’s mission is to provide comprehensive program development, education, and training to improve reproductive and sexual health outcomes.

VISION
HCET’s vision is policies, practices, program delivery, and systems that support the fundamental right to reproductive and sexual health care, training, and education for all.

VALUES
HCET is an organization of passionate people who are proactive in their belief that access to evidence-based, medically accurate reproductive and sexual health education, training, and care is a fundamental right.

WHAT?
HCET is seeking motivated students looking to...
1. Develop valuable professional skills in a non-profit office environment.
2. Work on meaningful and challenging reproductive and sexual health projects.

WHY HCET?
Because you have a lot to offer HCET, and HCET has a lot to offer you, too! This is a paid internship opportunity. HCET seeks interns looking for a valuable, challenging professional development experience.

WHEN? WHERE?
May 28 - July 23, 2019
HCET
2810 Crossroads Drive
Madison, WI 53718
2019 PROJECT OPPORTUNITIES

Family Planning/STI Clinic Toolkits
Collaborate with Wisconsin family planning and STI clinic partners to update resources and information. Edit, proofread, format, and design new toolkit layouts to improve usability.

Wisconsin Training Needs Analysis
Collaborate with Project Managers to conduct in-person interviews with HCET clients, create and launch 2019 Training Needs Analysis survey, and create report templates to facilitate data analysis.

And more to come...

APPLY
Please submit a cover letter and resume to Amber Arb at cgasao@hcet.org no later than April 19, 2019. Your cover letter should let us know your internship goals, unique qualifications, and why HCET’s mission resonates with you.

PERKS
SUMMER INTERNSHIP STIPEND
$2500 Full Time (35 Hours)
$1250 Part Time (15 Hours)
